

KYC Guidelines

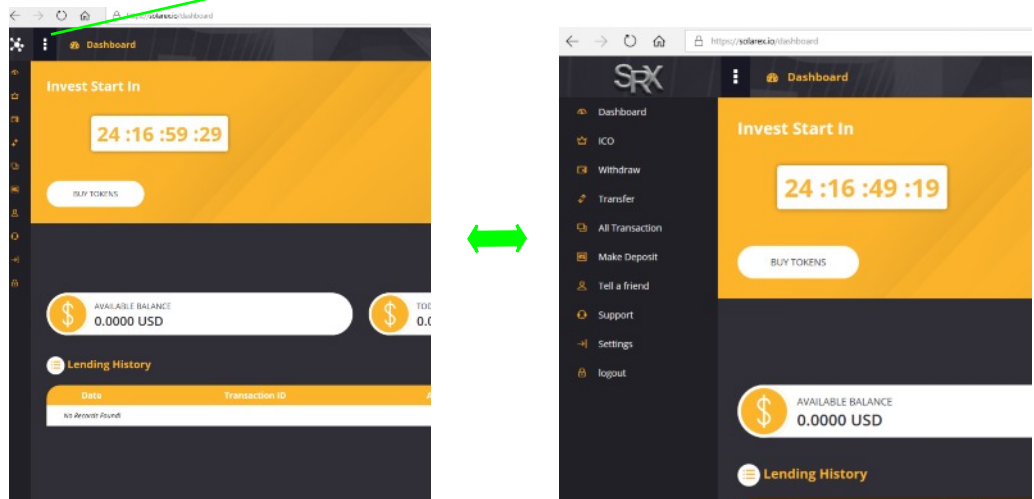

You must ensure that all KYC guidelines were followed. SRX tokens cannot be purchased without completing the KYC process. And the documents you supply must match else your application will be rejected.

Follow the following steps to complete the KYC application.

Step 1

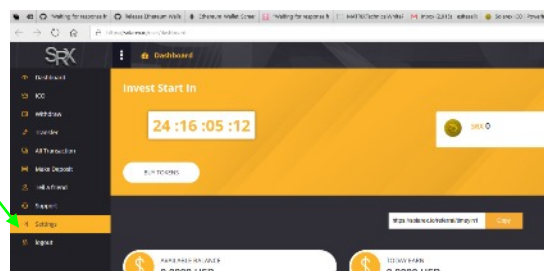

After successful registration on the website www.solarex.io,

- Login to your Account
- Click on the three vertical dots to expand the view

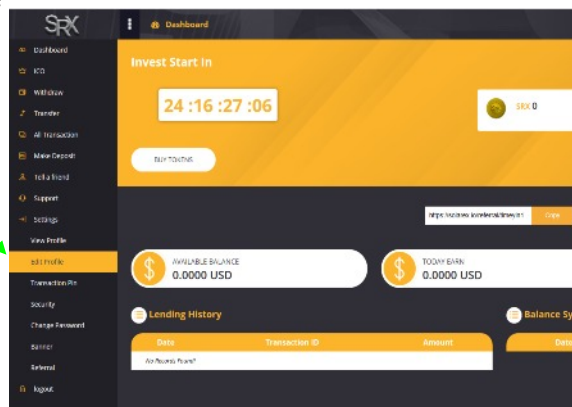

Step 2.

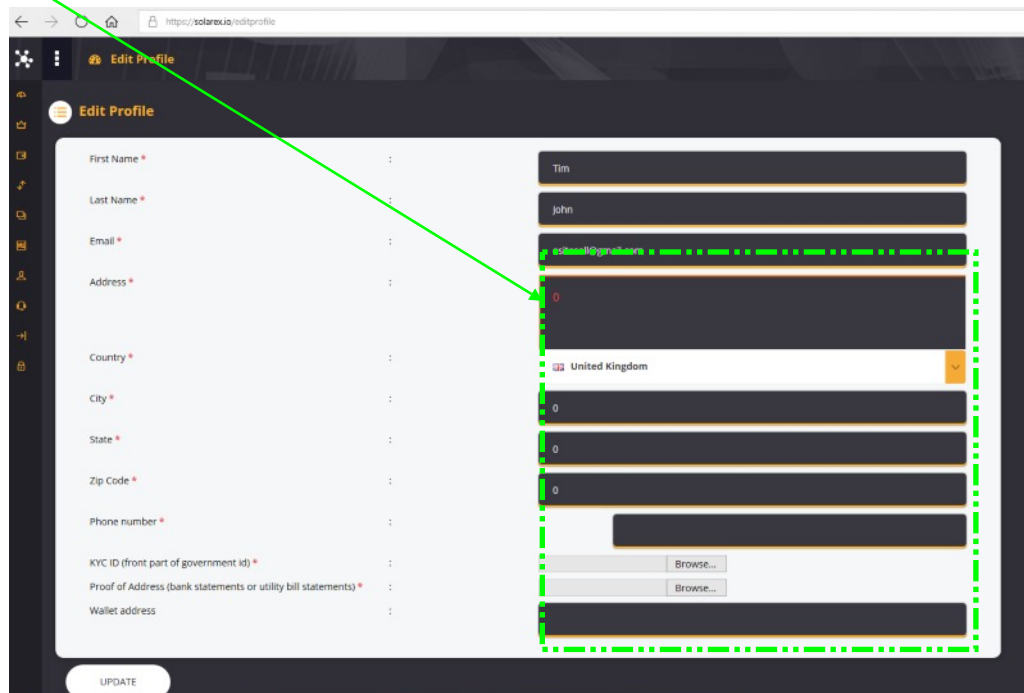

- Click on settings on the displayed side menu

- Click on edit profile

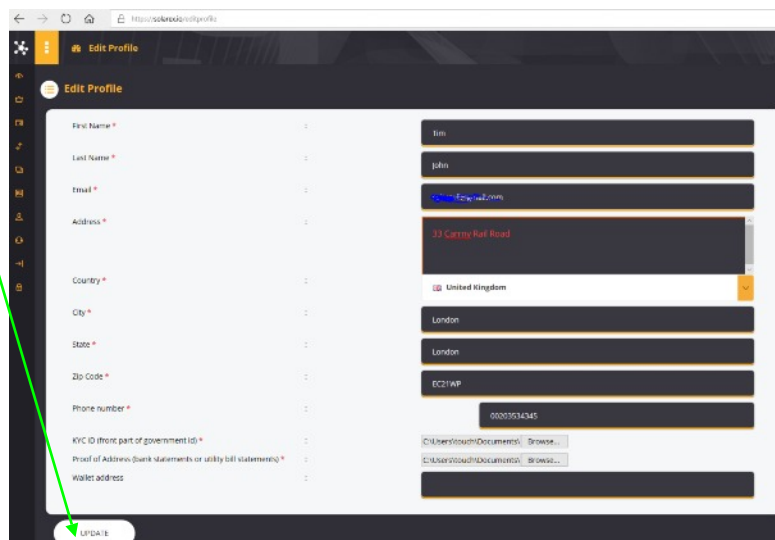

- Step3. ● Complete all the sessions of your Profile and most importantly, you must upload a government issued identification card and an acceptable document for proof of address any of bank statements or utility bill statements.

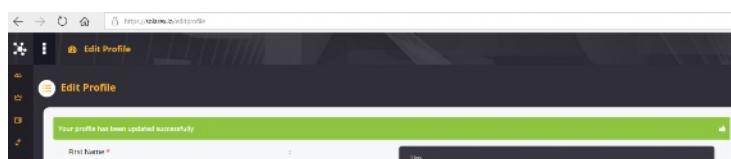

The screenshot shows the 'Edit Profile' form with the following fields filled out: First Name: Tim, Last Name: John, Email: eshaal@gmail.com, Country: United Kingdom, City: London, State: London, Zip Code: EC21WP, and Phone number: 0007574345. The KYC ID and Proof of Address fields are highlighted with a green dashed box, and a green arrow points to the 'BROWSE...' button for the Proof of Address field.

- Click on Update when you have completed the Required sessions as below

The screenshot shows the 'Edit Profile' form with the 'UPDATE' button highlighted at the bottom. A green arrow points to the 'UPDATE' button.

If you have completed all Required sessions, you will see the message below

Congratulation, you have completed the kyc application, Admin will review your application and can reject if they are not satisfied with the information you supplied.
